SUMMER PROGRAMME GUIDE

ACTOUT!

ART & DRAMA CAMPS (4-6.5YRS & 6.5-12YRS)

Colour My World's unique **ActOUT!** brings the best of two creative worlds: Art and Drama! In Drama, each week is a chance to meet new friends and express ourselves, finding stage confidence and building our way toward a showcase on Friday. In Visual Art, we'll be drawing, painting, sculpting, cutting, sticking, pasting (and more!), flexing our creative muscles as we craft a unique piece of art to take home at the end of the week. To ensure everyone enjoys it equally, we divide into two age groups, **4-6.5yrs** and **6 yrs 7 mths-12 yrs**.

SCHEDULE & FEES

ActOUT! runs from Monday to Friday with a **mini-show** on Friday (for both ages) **at 12:00 noon**.

9:15 am - 12:00 noon daily for 4-6.5 yrs, all inclusive fees **\$3,300**

9:15 am - 12:15 pm daily for 6 yrs 7 mths-12 yrs, all inclusive fees **\$3,600**.

MOVIN' & SHAKIN'

11-15 Jun

Let's dance "Old Broadway" style, exploring jazz style movements and choreography to the tune of timeless musicals such as *Chicago*, *A Chorus Line*, and *Guys and Dolls*. Can't sing? No Sweat! This week is all about the moves! **Fairytales, puppetry and props! In Visual Art, you will experiment with shadow play and shadow sculpture whilst exploring light projection and shadow as an art medium! What will be happening in your theatre?**

COLOUR POP

9-13 Jul

Feeling blue? Summer looking a little grey? Orange you glad we're here to help! Make your friends and family green with envy as you showcase a spectrum of splendid scenes and songs based around colour, exploring the rainbow of meanings in each hue. **Mixing colours! Coloured transparencies and more! In Visual Art, you will explore paper crafts using a polychrome or monochrome colour wheel, including cutting and layering, as inspired by French artist Maud Vantours.**

UP, UP AND AWAY

23-27 Jul

Come fly with us to the weird and wacky world of superheroes! Creating our own superheroes based on the likes of Wonder Woman, The Flash, and The Incredibles, we begin an action-packed adventure, complete with cheesy superhero dialogue, hilarious costumes, movement, music and flapping capes! **Batman! Robin! Captain America! Through dramatic poses, and imaginary superpowers you will reinvent and reimagine your favourite superhero! Line art, doodles and pop art inspired painting – which hero will you choose?**

INTO THE WILD

6-10 Aug

Inspired by songs and scenes from *Into the Woods*, we journey deep amongst the trees to a wild world, exploring movement and music in a new woodland adventure featuring the same loveable characters. **Looking to Surrealist artist Rene Magritte in Visual Art, you will draw and paint your favourite animal! But interchange its patterned skin with a vegetal pattern of your design!**

MOVIN' & SHAKIN'

20-24 Aug

Let's dance "Old Broadway" style, exploring jazz style movements and choreography to the tune of timeless musicals such as *Chicago*, *A Chorus Line*, and *Guys and Dolls*. Can't sing? No Sweat! This week is all about the moves! **Fairytales, puppetry and props! In Visual Art, you will experiment with shadow play and shadow sculpture whilst exploring light projection and shadow as an art medium! What will be happening in your theatre?**

THE WRITER'S CHOICE

WRITING WORKSHOP

\$2,650

FOUR INSPIRATIONS

(Poetry)

Taking inspiration from four different sources and studying from famous voices, we take small steps into the world of poetry, studying the present moment, a piece of music, a memory and a newspaper.

WRITING WORKSHOP

\$2,650

MINIZINE

(Informative Writing)

Using traditional Zine's as inspiration we create our own exciting mini magazine on a topic of our choosing, finding fun facts online then practicing informative writing, layout skills and basic graphic design to bring our magazine to press!

WRITING WORKSHOP

\$2,650

THE ENTREPRENEUR

(Persuasive Writing)

Writing persuasively can make the difference between a successful start-up and a dreadful upstart. Propose, invent, market and design your own product, learning four different writing styles in the process.

SPEAK ALOUD

SPEECH WORKSHOP

\$2,650

SOMEWHERE IN MY MEMORY

(Personal Narratives, Speech-Writing)

We look inwards for this personal-narratives based workshop. Using humour, anecdotes, and other techniques, we will learn how to structure & perform an interesting and compelling speech based on our own personal experiences, that's sure to stand out!

SPEECH WORKSHOP

\$2,650

IT'S RAINING SPEECH!

(Reporting, Presentation, Digital Media)

Learning how to script, prepare and perform in front of the camera is our focus in this fun and unique workshop! Presenting a range of material designed for short, on-air TV segments, including weather and the news, we'll become seasoned pros in no time!

SPEECH WORKSHOP

\$2,650

TED-TALKS

(Public Speaking, Presentation Skills)

An intensive performance-only workshop, in which focus will be placed on advanced skills and techniques including inflection, tonality, pace, pause, gesture and movement to deliver a professionally polished 1-2 minute stage presentation!

DRAMA FESTIVALS

8-12 YEARS

These **NEW** Drama Festivals focus on advanced performance values and theatre skills designed for those who would enjoy working together like a mini theatre company. With a thematic focus on script-writing, directing and stage-performance, participants will have complete control over their final production, learning the essentials of professional theatre from the inside out!

2-DAY ADVANCED WORKSHOP

\$3,300

METROPOLIS

(Folk-tales & Storytelling)

Folktales and fables from the farthest cultures combine into one diverse jumble of a production, all in the hands of the students! Participants will be working together to write, direct, design and star in their own show. What new stories will emerge from their collective imaginations?

2-DAY ADVANCED WORKSHOP

\$3,300

TIME AND TIME AGAIN

(Mystery Theatre)

Let's begin... at the ending! Participants form their own short-term theatre company, where they write, direct and star in a confounding 'Whodunnit?' mystery that keeps the audience in the dark until the very end. Are you quick enough to work it out?

2-DAY ADVANCED WORKSHOP

\$3,300

REFLECTION/INTROSPECTION

(Personal Stories & Biographies)

A snippet of a joke we heard once, a slice of our childhood, a phrase our parents used to say...Over two days we pull our own experiences together into a production, working together to decide on the plotline, direction and movement of our memories.

2-DAY ADVANCED WORKSHOP

\$3,300

LIGHTS, CAMERA, ACTION

(Shadow Theatre)

This 'festival with a difference' focuses on the dramatic effect of lighting in theatre. By experimenting with light and shadow, using spotlights, projection, shadow play and mime, we'll develop a movement and speech production based solely on our own creative process.

ARTS FESTIVALS

8-12 YEARS

We are premiering our **NEW** Arts Festivals this summer. Each week we explore two thematic projects side by side with two specialist facilitators. Progress made in one project will directly complement the other, giving valuable insight into the application of newly learned skills and creative direction, and leading to the production of two complementary artworks. A creative week like no other!

METROPOLIS

(Illustration, Textile)

Which city have you always dreamed of travelling to? Join 'Metropolis' to experience cultures, cultural outfits and diversity. Travel through the landscape of your mind as you draw, design and form a large scale **World City in illustration**. While, in **Textiles** depict a literal pathway with nails and thread, creating an individual architectural piece.

\$4,400

TIME AND TIME AGAIN

(Mechanical Drawing, 3D Construction, Stop-motion Animation)

Draw, record and draw again! Come and join a creative workshop where you will study the quality of Time, as you record your work's progress as it develops. You will take home a **Mechanical Drawing** and a **3D Construction** along with a **Stop Motion Animation** of your chosen topic! With a camera close-at-hand, you will draw, design and document!

\$4,400

REFLECTION/INTROSPECTION

(Figuration, Abstractionism, Painting)

Portraiture and painting! Inspired by the exhibition 'UNFINISHED - Thoughts left visible' (MET, 2016, New York), this workshop will see two different kinds of **Painted portraits**. The outcome will have two different styles; one Finished/Unfinished, and the other exploring the coexistence of **figuration** and **abstraction**. How will you translate the notion of reflection and introspection in two distinct visual languages?

\$4,200

LIGHTS, CAMERA, ACTION

(Conceptual Art, Shadow Sculpture)

Casting shadows and photo vision! Taking inspiration from Japanese artist Kumi-Yamashita and French artist Christian Boltanski, who create **light and shadow sculptures** from everyday objects, you will explore a variation of silhouettes! You will also consider projected profiles, montage, and collage! Come and project your vision!

\$2,650

SCOTTISH COLOURISTS

(Acrylic, Still Life)

Classic still life elements and a warm colour palette! Come and explore masterworks by Scottish Colourist Samuel John Peploe. Develop your acrylic painting techniques and design your still life objects; will it be jugs, pears, or flowers? Create your own painting in a modern and captivating style!

\$2,650

LITERAL IMMERSION

(Graphite Drawing, Digital)

A call to all book lovers! Come and create a book jacket based on your own profile! Explore diverse techniques of drafting with graphite pencil and display yourself becoming immersed into the world of your all-time favourite book! Create a fantastical photo manipulation that blends realism with your imaginative design.

\$2,650

ILLUSTRATIVE JOURNALISM

(Pencil Sketching, Ink)

Try your hand at illustrative journalism and learn creative ways of representing the world around you! With graphite pencil and ink pen in hand, you will observe and document your surrounding environment, creating captivating drawings and text that when combined, produce a news-worthy work of art!

\$2,350

FOOD MINIATURES

(3D Sculpture, Mixed Media)

Take inspiration from the American fine art photographer Christopher Boffoli and his 'Big Appetites' photo series, expressing his love for sweet treats in his creation of food miniatures. We will make our favourite dessert as a 3D painted sculpture from clay, playing with scale and proportion!

\$2,350

MASTER PLASTER!

(Plaster, 3D)

Inspired by Antoni Gaudi's architectural facades, you will create a round plaster sculpture with decorative contours and intricate patterns. Learn reduction techniques as you use specialized tools under professional guidance. Carve sweeping curves, hollows and rounds to create a decorative ornament or centerpiece!

\$2,650

TACTILE DOUGHNUT

(Textile, Weaving)

Go in a circle but don't lose your head, as you design colourful discs with a range of yarns, thread, fabric and string! Explore circular weaving techniques such as the elementary twill weave, as you create different patterns and warp your threads!

\$2,650

WONDERWALL

(Grafitti, Decorative Arts)

Come and construct your very own grafitti-inspired graphic relief! Taking inspiration from artist Alex Yanes, design your own characters and create your own patterns! In a city filled with personalities and movements, let your vibrantly bold artwork take centre stage!

ART IN PRACTICE

13 YEARS+

For art enthusiasts who are considering Art for GCSE, A-Levels, IGCSE or IB; or who simply enjoy being stretched artistically. Art in Practice is open to any participants who want to strengthen their skills or build on their portfolio, or explore a theme through open-end self-enquiry. Each week focuses on a specialist artist/ art-form to bring you in-depth knowledge and understanding of the techniques and styles used as we guide you through various artistic decisions and pathways to create portfolio-worthy pieces to take home.

MON-THU 1:30-4:30PM

3-6 JUL (TUE - FRI)

\$5,400

GEOMETRIC LANDSCAPE

(Acrylic, Architecture, David Schnell)

Perspectives! Architectural design and intersecting spaces! Learning from contemporary German painter David Schnell, you will create a colourful geometric landscape. You will include man-made architectural elements that pierce into natural space, as you learn about two-point perspective and composition.

9-12 JUL OR 20-23 AUG

\$6,000

CONCEPTUALIZING THE NEWS

(Editorial Illustration)

Get a chance to work as an editorial illustrator! Picking from a variety of news-stories, you will come up with your very own idea for a conceptual image that represents the topic of your chosen article. Delving into your personal wit, humour and creative mind, you will learn how to produce an illustration that is both visually stunning and ready for publishing!

16-19 JUL OR 27-30 AUG

\$6,000

PHOTOSHOP PAPER-CRAFT

(Vector Illustration, Photo Manipulation, Digital Animation)

Design and create your own stunning "papercraft" scene using Adobe Illustrator and Adobe Photoshop, with realistic shadows, textures and scene depth to mimic a realistic papercraft illustration. In Adobe After Effects, learn how to apply a simple mesh and puppet pins to bring your paper scene into life, complete with camera angles, sound effects and a professional intro and outro animated video cover!

23-26 JUL

\$5,400

NARRATIVE COLLAGE

(Photocollage, Mixed Media)

Inspired by Magnus Plessen's new collages exhibited at White Cube Gallery, you will look at the way historical events or literary accounts are commented on and revisited in an artwork. You will select a book, a newspaper article or a film that will prompt your 'narrative' for a collage-painting! Manipulating images to create an interesting layered composition will be the focus of this week!

ART IN PRACTICE 13 YEARS+ (CONTINUED)

30-31 JUL, 1-2 AUG

\$6,000

TACTILE SCULPTURE

(Textile)

Inspired by the work of German artist Birgit Dieker, this workshop will give you a sense of freedom and extravaganza as you work on volume with fabrics! Your tactile work will explore both form construction and layers, as well as the idea of inside out. Come! Bring heaps of discarded clothes to recycle them into a funky sculpture!

6-9 AUG

\$5,400

SCULPTURE DYNAMIC

(3D Construction, Mixed Media)

Come and manipulate clay, plaster and wire to find out what form could emerge from this process-based workshop! Inspired by Renato Bertelli's 'continuous profile', contemporary artist Tony Cragg has extensively explored and expanded the Futurist concepts of movement and speed, combining 'hard but apparently soft, upright yet collapsing, dynamic and yet immobile' (The Observer). Based on these ideas you will manipulate various media and stretch them in time and space.

13-16 AUG

\$5,400

CRYSTAL CLEAR

(Painting)

Inspired by Amédée Ozenfant and the Purism movement, this painting project will follow the return to the clear, precise, ordered forms that were expressive of the modern machine age. Come and follow this path to create a painting, where composition and colour scheme will be prominent in the expression of a subject. The challenge will be to adapt your work to the concern of our time!
